

## **Report of Extension Activities**

### **Voter Awareness Programme**

From time to time Voters Awareness Programme is organized in our college. To create awareness among young voters various competition like speech, Essay writing, Poster making and Slogan writing are organized in the college. Students take actively participation in these competition. Winners are honored with prizes and certificates in the in the college and in the district headquarter on National Voters Day i.e. 25<sup>th</sup> January every year. All the students are informed that whoever is going to complete 18 years will fill the Form No. 6 for registration as a new voter. With the help of tehsil and district administration the SVEEP (Systematic Voters Electoral Education Programme) nodal officer provide Form. No. 6 to all the eligible students and help them to fill the form correctly. Then the new registration forms are submitted to the district officer for further process. Students also take pledge for free and fair election.

### **Student's participation in Speech Competition**

*Student's participation in Essay Writing and Slogan Writing Competition*

*Nodal officer giving information regarding filling of Form 6*

## **SWACHHATA ABHIYAN**

Swachhata Abhiyan is carried out in the college campus in various occasions. Students, teachers and office staff actively participate in this cleanliness drive. Some time we also take cleanliness drive in the nearby area also.

### **Cleanliness drive in the college campus**

### **Cleanliness drive in the Sargaon village pond**

## WORLD AIDS AWARENESS CAMPAIGN (1-15 DECEMBER, 2022)

On December 1<sup>st</sup>, 2022, students are making aware with the causes, symptoms and prevention related to AIDS and other STD's. Poster making, Rangoli making and Essay writing competition, are also organized to raise awareness among the students about AIDS. Teachers also clear doubts of the students regarding AIDS.

## HEALTH AWARENESS PROGRAMME

Health is crucial importance for students. A healthy mind lives in healthy body. So, students are informed with healthy routine and personal hygiene. On National Deworming day students up to 19 years old are provided Albendazole tablet to protect the infection from worms and parasite. Our college is Tobacco free campus. Students are regularly instructed to not chew pan-gutaka and other tobacco items.
