Distt. Mungeli (C.G.)

Best Practice 2

(Session 2023-2024)

College in the service of local flood affected people

(The area is affected by devastating flood in the river Maniyaari almost every year. People of local community loss their property due to this flood. They are provided with temporary shelter in the college building. Food and all the necessary daily requirements are fulfilled by the college with the help of local administration)
