**Report of the Career guidance for competitive examinations offered by the
institution during the session 2021-22**

The ultimate aim of education is to prepare a person to compete in various competitive examination conducted by central and State Governments. Private sector also provides opportunities for several employments. Chhattisgarh is one of the newly formed states where there is a plenty of vacancies advertised by various government agencies like C.G. PSC, VYAPAM and other state departments. Railways, Banks and PSUs also provide opportunities for young students to get employment according to their choice, merit and attitude.

In order to prepare our students for various competitive examinations, counseling session/lectures were delivered regularly by our faculty members in the session 2021-22. Some other professionals and Ex. students were also requested for delivering their lectures in counseling classes.
